

HELP US FIGHT UNLICENSED ACTIVITY IN THE STATE OF FLORIDA

You can file a complaint anonymously through POF

The amount of illegal and unlicensed activities in the prescription eyecare industry in Florida is reaching epidemic proportions. We must act now to stop these activities to protect the public and our professional standards. For these efforts to be successful, we need your help.

Are you aware of any of the following illegal practices?

- Selling contact lenses or spectacles without a prescription
- No opticians working at a location that is dispensing to the public
- Opticians not on duty while there is dispensing of Rx's to the public
- Lack of Optical Establishment Permit

Take a few moments to report any of the above or other illegal activities you are aware of on the form below. We will file a complaint with the information you have provided, without using your name. We will protect your anonymity unless you agree otherwise. We will need your name in case we need further information, but, again, your name will not be released. To aid the investigation, please provide as many details as you can about the location and the activities.

Mail this form to: POF/HALT-ULA P.O. Box 1296, Crawfordville, FL 32326
Or fax it to us, **850/201-2947**

List the Illegal/Unlicensed Activities (use additional paper if needed): _____

Do you know how long or how often this has been happening? _____

Are there certain times when the Illegal/Unlicensed Activities occur? _____
